**Add prerequisite course**

Approval Signatures:
- Dept/Prog: ____________________________ Date: _________
- College Committee: ____________________ Date: _________
- Graduate Council Representative: __________ Date: _________
Catalog description of course:
Departmental code or prefix, number, title of course and credit hours; prerequisites; and description of course as it will appear in the catalog. Note that course descriptions are limited to approximately 35 words in the Graduate Catalog.

EDSE 610 Designing Adaptive Environments (2:2:0). Prerequisite: EDSE/EDIT 510. Provides an overview of environmental adaptations for people with disabilities to increase their access to community, workplace, and school activities. The course covers legal issues within the ADA for adapting environments, and addresses programmatic and physical access issues. Knowledge and awareness components of this course may be delivered via distance education.

For course modifications, describe the changes made to the course and justification for those changes:

Add prerequisite EDSE/EDIT 510.

Approval from other units:
Please list those units outside of your own who may be affected by these changes in the course. Each of these units must approve this change prior to its being submitted to the Graduate council for approval.
