Catalog description of course:
Departmental code or prefix, number, title of course and credit hours; prerequisites; and
description of course as it will appear in the catalog. Note
that course descriptions are limited to approximately 35 words in the Graduate Catalog.

NURS 552/HCS 207 Practicum in Advanced Health Assessment (2:1:1)

Application of advanced health assessment skills and clinical decision making with adults
of all ages in primary care settings. The
performance of skills and techniques needed to collect data for comprehensive health
assessment is emphasized in this supervised
practicum. This course is taught at George Washington University as part of the Nurse
Practitioner Program. Students pay
GWU tuition rates.
For course modifications, describe the changes made to the course and justification for
those changes:
Changed from a 1-credit course to a 2-credit course (2:1:1).

Approval from other units:
Please list those units outside of your own who may be affected by these changes in the
course. Each of these units must approve this change
prior to its being submitted to the Graduate council for approval. NONE

Unit:                     Unit head:                     Date:
