Catalog description of course:
Departmental code or prefix, number, title of course and credit hours; prerequisites; and
description of course as it will appear in the catalog. Note that course descriptions are
limited to approximately 35 words in the Graduate Catalog.

NURS 753/HSci 214 DIAGNOSIS AND MANAGEMENT OF THE DEVELOPING
FAMILY - 4
credits (2:0:2)
Co-requisite with Nurs 751/HSci 212 and Permission of Instructor.

Didactic and laboratory course focused on primary care needs of families. Integration of
advance health assessment, health maintenance/promotion, anticipatory guidance and
diagnosis and management of common primary care health concerns to advance the
knowledge and skills of primary care nurse
practitioner needs of family care as provided by nurse practitioners. This course is for
students in the Post Master's Family Nurse Practitioner Certificate Program. This course
is taught through George Washington University Distance Learning through a joint
certificate program with George Mason University CNHS Nurse Practitioner Program.

For course modifications, describe the changes made to the course and
justification for those changes:
The course will now be offered as part of a joint certificate program from George Mason
University and George Washington University. The course is added to the George Mason
University College of Nursing and Health Science Nurse Practitioner Program and is
modified to reflect the 'Nursing course number 753

Approval from other units:
Please list those units outside of your own who may be affected by these changes in the
course. Each of these units must approve this change prior to its being submitted to the
Graduate council for approval. NONE
