Approval Signatures

If this course includes subject matter currently dealt with by any other units, the originating department must circulate this proposal for review by those units and obtain the necessary signatures prior to submission. Failure to do so will delay action on this proposal.

For Graduate Courses Only

Graduate Council Approval Date

For Registrar Office's Use Only: Banner, Catalog
Course Number and Title: BINF 739 Topics in Bioinformatics

Date of Departmental Approval: 2-18-2016

Reason for modification: To allow visiting professors to offer a specialized topics course that meets for a partial term and allows students flexibility in planning their course schedules.
